Missions Conference: According to the Dictionary, mission often involves sending individuals and groups, called "missionaries," to foreign countries and to places in our cities for the purpose of conversion to Christianity. This involves evangelism and humanitarian work, especially among the poor and disadvantaged. This year we will sponsor a Missions Conference on March 21st in effort to encourage more of our members to get involved in mission work. We have invited several foreign missionaries, as well as local pastors, to discuss how churches can fulfill Christ’s Great Commission to “go into all the world and preach the gospel to every creature”.

I am praying that our membership will make preparations to attend this event and learn what God has purposed for our lives in the field of missions.

Be blessed,

Pastor
