

### **Building on a Solid Foundation**

When a building is first constructed with its walls, windows, beams, roof, etc, a solid foundation must first be laid. The foundation sets the tone for how the building will be erected. It stabilizes the construction to come. Without a solid foundation, the building is doomed to fail because it has not been built upon a sound and secure solid foundation. The same is true when it comes to our faith and our relationship with Jesus Christ. Without a solid foundation rooted in Christ, we are doomed to fail. Matthew 7:24-27 says, <sup>24</sup> “Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. <sup>25</sup> The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. <sup>26</sup> But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. <sup>27</sup> The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash.”

We are encouraged to build our hopes on things eternal and to hold to God’s unchanging hand. When we build our lives upon the solid rock (foundation) of Christ, we are ensuring that we are connected to the source! When we connect with source, we are able to withstand the wiles of the devil and to resist temptation. We are able to withstand the storms of life that come our way. We study the Word of God and hide it in our hearts that when we become weary, we can tap into the ultimate source! As we go throughout the remainder of the month of July, let us be encouraged to erect our souls on the solid foundation of the Word of God and put it in to practice in our daily walk with Him.

### **Prayer:**

Heavenly Father,

We thank You for being our anchor and giving us Your Word upon which we build our solid foundation. Lord, we ask that you continue to bless us and keep us. When we become weary in our faith, please remind us of the solid foundation that You laid upon our hearts when we accepted You as our personal Lord and Savior. Please bless the sick, the shut in, and the bereaved families. Help us to be beacons of light that shine so bright that the lost come running to inquire about it allowing us the opportunity to share the gospel with them. Help us to be will workers in your kingdom to bless and help others. All these things we ask in Thy Matchless name Lord Jesus, Amen.
